

THE AI WORKSPACE BUILT FOR HOW REAL ESTATE AGENTS ACTUALLY WORK

Your real estate business.
Run from one app.

Breezy handles every part of an agent's day—branded comps on the go, automatic pipeline updates, every client conversation captured, and property insights no one else has.

Breezy turns weeks into minutes and gives agents an advisor-level edge

10-15

HOURS SAVED PER WEEK

<60s

TO CLIENT-READY COMPS

THE PROBLEM

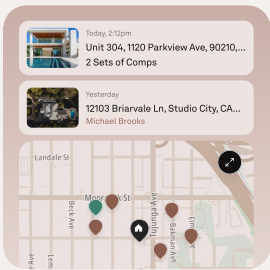

Agents are drowning in tools that weren't built for them.

Agents are buried in disconnected CRMs, dashboards, and AI tools—forced to juggle between systems that were never built for the reality of their day-to-day.

THE TRANSFORMATION

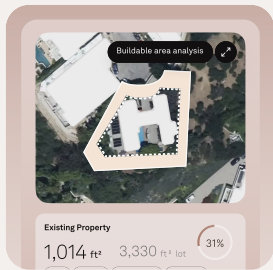

Save hours. Show up sharper. Close more deals.

Breezy gives you back 10-15 hours a week—and turns you into the most prepared agent in the room.

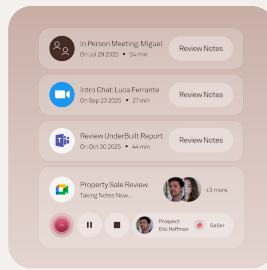

COMPS-ON-THE-GO

Client-ready comps in under a minute—so you walk in prepared every time.

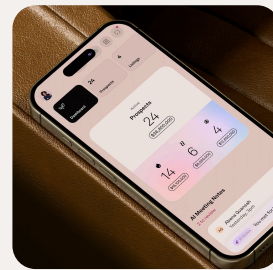

UNDERBUILT RADAR

Breezy analyzes hidden potential—so you can advise with confidence, and win listings other agents miss.

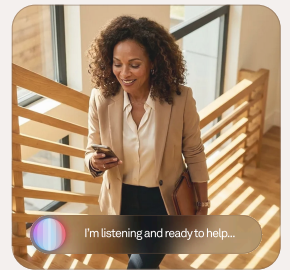

AI NOTE TAKER

Breezy captures every conversation, organizes action items and handles the follow-ups

CONNECTED PIPELINE

Your pipeline updates itself—so deals never stall.

VOICE-ACTIVATED AI ASSISTANT

Pull comps, prep clients, and get answers instantly—just by asking.

Dass W.
App Store Review

“It finally feels like a platform built by someone who understands how agents actually work. It’s a must-have to stay competitive.”

REAL MOMENTS. REAL ADVANTAGES.

- 01 Ask Breezy Assistant for comps on the drive to a listing appointment.
- 02 Can't make the webinar? Send your AI Notetaker instead.
- 03 Walk out of a meeting with summaries, action items, and follow-ups already handled.
- 04 Turn “this lot feels small” into “you could add 2,000 more square feet here.”
- 05 Send polished comps from your phone while other agents are still opening their laptop.

Your edge starts here.
